

THANK YOU

Thank You 2007 PAC Contributors

The Home Builders Association of Central Arizona Political Action Committee (HBACA PAC) would like to thank each and every HBACA member who newly joined or renewed membership in the PAC during the 2007 calendar year. The PAC set a goal this past year of 1,000 PAC members, and although we fell a little short (final count was 937) this is still a tremendous number of members considering current market conditions. Of these, 177 PAC members gave at the Chairman's (\$1,000) and President's (\$500) Club levels which is only a 6% decline over last year's record of 188 people giving at these upper levels. PAC members contributed \$95,373 for use in funding state and local candidates, plus an additional \$27,060 to NAHB's BUILD PAC for use in Federal races, bringing the total to a whopping \$122,433 raised for candidate funding in 2007. This is a decline of only 15% in total contributions from the previous year.

The PAC is also extremely pleased to announce that for the first time ever the employees of one HBACA member company are supporting the PAC through automatic payroll deductions. That company is Shea Homes and the PAC would like to give a big thank you to Shea's employees for being the first to implement this new program. We would like to encourage other HBACA members to consider offering their employees the automatic payroll deduction option which is a fairly painless way to contribute to the HBACA PAC on a regular basis.

The PAC would also like to thank all HBACA member companies who made contributions to the PAC Administrative Fund either through sponsorship of our golf tournament, voluntary corporate contributions included with HBACA membership dues, or other special events.

The HBACA PAC cannot adequately express how grateful we are for the strong support of the HBACA membership. Without your generous contributions, the PAC would not be able to carry out our mission of electing good candidates to public office. The HBACA PAC is YOUR political action committee! We will continue to work on your behalf to elect candidates who will work to keep housing affordable and to protect jobs within the home building community.

Thank you once again for your tremendous level of support in 2007!
